

Utah Behavioral Health Commission Scoresheet		
Category	Points Possible	Awarded
Urgency: <i>Recommendations with a more urgent need would receive additional points.</i>	20	
Support the Commission's strategies: <i>Recommendations receive more points based on how well they support at least one strategy, but do not necessarily receive more points for relating to multiple strategies.</i>	30	
Aligns with the Commission's cross-cutting principles: <i>Recommendations receive more points if they align with at least one principle, but do not necessarily receive more points for relating to multiple principles.</i>	30	
Outcomes and measurement: <i>Does the recommendation have measurable outcomes that are relevant to the Commission's strategic plan?</i>	20
