Audit **Addendum** Report of:

Cache County/Bear River Mental Health  
Contract #A03079

Addendum Audit Review Date: April 6, 2026

## Addendum Summary

This is an addendum to the Final Audit Report of Cache County, Bear River Mental Health (BRMH). This addendum is necessary because FY25 SUMH Scorecard data and substance use provider chart data were not available at the time of the initial audit (which included a site visit), as the Local Authorities (LAs) are provided time to submit final data and year-end data corrections after the end of the State Fiscal Year. At the time of the initial audit the LA was informed that a desk audit would be conducted following finalization of the data indicated above and this was indicated in the initial audit report.

SUMH uses Scorecards to measure and evaluate mental health and substance use disorder treatment outcomes. For BRMH, the Scorecards include:

- Mental Health Scorecard for Adults
  - Count of clients served, total and distinct categories
  - Utilization of mandated services (including client count and time in service)
  - Outcome Questionnaire (OQ) measures
- Mental Health Scorecard for Children and Youth
  - Count of clients served, total and distinct categories
  - Utilization of mandated services, including client count and time in service
  - Youth Outcome Questionnaire (YOQ) measures

The FY25 Scorecards may be located on the SUMH website:
